

Sinclair  
Broadcasting's  
decision to force  
their stations to  
air an anti-Kerry  
documentary days  
before the election  
is a clear example  
of the dangers of  
media consolidation.

If nothing is done  
by the FCC to stop  
this or balance it  
with equal time,  
then it is further  
proof of how  
politically  
controlled the  
agency has become  
and smacks of  
government in bed  
with big business.
